We are excitedly looking forward to visits from both our Japanese Sister Schools - Takayamamura Junior High School from Gunma Prefecture and Fukuroi Senior High School from Shizuoka Prefecture.

We are seeking families who are interested in hosting students from these schools. Hosting students will provide your family with an amazing intercultural experience. We have always had such positive feedback from College families who have hosted and it is a vital part of our Japanese language program within the College community. The Japanese students are here to experience Australian culture and our style of family life, as well as expand their grasp of the English language.

Visit 1

The first visit will be Takayamamura Junior High School who will stay with us from Friday 3 August to Tuesday 7 August. As the students are of a younger age (Years 7 – 9), we are asking for two students to be hosted by each family.

Visit 2

The second visit will be Fukuroi Senior High School who will stay with us from Tuesday 21 August to Monday 27 August. As the students are of an older age (Years 10 – 12), we are asking for one student to be hosted by each family.

Anyone who is interested can come and pick up a form from Mrs Byrne or Miss Raft in the P Block Staffroom or from the front office and join in the fun. If you have any questions, please contact Mrs Byrne at fbyrne@thac.nsw.edu.au
