YEAR 4 BAND PROGRAM

Left…..Left…..Left Right Left…..!

This is the new flavour during Junior Concert Band rehearsals on Tuesday mornings over the last 2 weeks. With Covid restrictions in place, our young musicians have the opportunity to embrace a new style of music performance – the Marching Band! Students have had a great time learning to march as one; left before right, straight lines, standing at attention, and listening to the marching drums. This is a great skill teaching co-ordination, listening, and a bit of fitness all at the same time! The lines were looking great in S-Block this week, and the students should be proud of themselves for embracing this new activity during these testing times. Well done to all.
