BRAND NEW COLLEGE APP

CarerOrbit - Our New College App

A reminder that we have now switched to our NEW College App - CarerOrbit and replaced the current App, which has now closed and will no longer work.

CarerOrbit has replaced our existing College App, providing families with a more convenient and personalised way to access College information and manage important tasks in one place.

Download CarerOrbit here:
https://orbitcarerapp.edumate.com.au/thac

When prompted, enter the College code thac and sign in using your usual College parent login details.

It is important that all parents and carers make the transition, as the old College App is no longer available.
