THE WAY

TERM 3 | THE WAY NEWSLETTER | FRIDAY 21 AUGUST 2026

GATEWAY 8

Last Thursday and Friday, a group of our high-potential learners proudly represented the College at GATEway 8, an annual multi-day academic competition hosted by Macarthur Anglican School. This event brings together students from across Sydney to tackle challenges in creative problem-solving and critical thinking across disciplines including mathematics, science, humanities and the arts. On Thursday, eight Year 9 and eight Year 10 students took part in a full day of collaborative academic challenges, followed by eight Year 7 and eight Year 8 students who competed with equal enthusiasm on Friday.

Our students demonstrated impressive resilience, creativity and intellectual curiosity throughout the competition. In particular, our Year 10 team placed third in the Year 9/10 English Challenge, showcasing strong analytical and communication skills, while our Year 8 team achieved fourth place in the Year 7/8 Mathematics Challenge, reflecting their growing confidence in problem-solving under pressure. We are incredibly proud of all students who participated and represented the College with teamwork and a genuine love of learning.

Mr Matthew Miller
HSIE Teacher - Coaching Leader - G&T Coordinator
