YEAR 7 CAMP

From Wednesday to Friday, our Year 7 students enjoyed their annual camp at the CRU Lake Macquarie Camp and Conference Centre.

Across the three days, students took part in a range of activities designed to develop leadership skills, strengthen relationships and build year group cohesion. Working alongside their Pastoral Care teachers and CRU guides, students challenged themselves through activities including Archery Tag, rock climbing, giant stand-up paddleboards, raft building, sailing and fishing.

The camp also provided opportunities for students to develop Stage 4 wellbeing strategies, build confidence and support one another in new and challenging environments.

Beyond the activities, the three days gave Year 7 students valuable time to connect with their peers and teachers, helping to build the strong relationships that will support them throughout their Senior School journey.
