

PRIMARY ICAS COMPETITION 2026

Students from Years 3 to 6 recently elected to sit the ICAS assessments for English, Science and/or Mathematics.

“ICAS Assessments are designed to recognise academic excellence. Students are assessed on their ability to apply classroom learning to new contexts using higher-order thinking and problem-solving skills” www.unswglobal.unsw.edu.au.

We are delighted with the level of participation this year and with the many excellent results.

The students who achieved awards at the High Distinction, Distinction or Credit level for these assessments are listed below. They will receive certificates from ICAS late next term.

Congratulations to them all!
