POETRY IN ACTION INCURSION

On Thursday 3 September, Year 8 were able to attend a poetry performance , run by Poetry in Action. During this incursion, performers acted out different poems to help give us a deeper understanding of what poetry really is and how it looks on stage.

The overall performance was really entertaining, considering that they only had a limited amount of space and props to use. Just the strong tone that was used by the performers was great as it added depth and emotion to the atmosphere and environment around them and the audience.

We also noticed that they were trying to convey a point which was to illustrate how poetry is meaningful and entertaining, not just a boring or confusing text, which we appreciated. Instead, we learnt that poetry can express opinions and emotions in a very deep way that can be seen as both clear and complex.

Overall, we both enjoyed the performance thoroughly. Their performance easily evoked what the characters felt, and their performance helped us profoundly understand the significance of poetry.
