## YEAR 5 CAMP AT THE TOPS

From Wednesday 16 to Friday 18 September, Year 5 students travelled to Stanwell Tops for three days of adventure, friendship and new experiences. Students were encouraged to step outside their comfort zones, whether facing a fear of heights on the Giant Swing, testing their hand-eye coordination in archery or running in a giant bubble to play soccer.

Beyond the activities, camp provided valuable opportunities to strengthen friendships and make new ones. Students reported having a fantastic time socialising with their peers and particularly enjoyed the experience of staying overnight together for a couple of evenings. For some, being away from home for the first time was a challenge, requiring courage and growing independence.

Camp was a wonderful opportunity for students to discover what they could achieve, support one another and create lasting memories with their Year 5 peers.
