THE WAY

TERM 4 | THE WAY NEWSLETTER | FRIDAY 23 OCTOBER 2026

FROM THE HEAD OF JUNIOR SCHOOL

Welcome back to Term 4! I trust our families enjoyed a refreshing holiday break, filled with opportunities to rest, reconnect and hopefully, a little boredom for our children. This is often the very thing that sparks imagination, creativity and independent play.

We have certainly hit the ground running and today it was a joy to welcome so many special visitors to our College for Grandparents' Day. There is something wonderful about inviting grandparents and special adults into the authentic learning experiences of our students, sharing in their learning and reflecting on just how much schooling has changed across generations.

Days like today also remind us how blessed we are to be part of a College with exceptional teachers, wonderful facilities, rich teaching and learning programs and purposeful integration of technology. These are gifts we do not take for granted. As a Christian community, we are thankful for God's provision and for the opportunity to partner with families in nurturing children who grow in knowledge, character and faith.

A reminder that filled Operation Christmas Child boxes are due back on Friday of Week 4. Thank you to the many families supporting this wonderful opportunity to share God's love and bring joy to children around the world through practical generosity.

As we begin the important process of forming classes for 2027, I invite families to email me with any information or class placement considerations they would like me to be aware of. While individual requests cannot be guaranteed, all information will be thoughtfully considered as we seek to create balanced classes in which every child can flourish.

The weeks ahead promise to be full, with orientations, concerts and assemblies providing wonderful opportunities to celebrate growth, achievement and excellence across our Junior School. We look forward to sharing these special moments with you as we finish the year well, with grateful hearts and a continued commitment to serving one another in Christ.

Mrs Kylie Singles
Head of Junior School
