# THE WAY

**TERM 4 | THE WAY NEWSLETTER | FRIDAY 23 OCTOBER 2026**

## MR WILLIAMS RIDING FOR STARLIGHT

With my Year 12 class graduating in September, I've had a little more time this month to take on a personal challenge: the Starlight Tour de Kids Ultimate Challenge.

The goal is to ride 1,440 kilometres during October while raising money for the Starlight Children's Foundation. The 1440km distance is significant: the total kilometers represent the amount of children who are admitted to an Australian hospital every day. Much of the distance has come from cycling to and from College instead of driving, along with a number of longer weekend rides and digital rides using the platform Zwift.

At the time of writing, I am approaching 1,000 kilometres and am on track to complete the challenge before the end of the month.

Thank you to the members of our College community who have already supported the fundraiser. If you would like to contribute, donations can be made via the link below.
