WORLD SCHOLAR’S CUP IN NEW ZEALAND

At the start of the September school holidays, eight students from Years 7 to 10 proudly represented Thomas Hassall Anglican College at the Christchurch Mini Global Round of the World Scholar’s Cup. Competing against scholars from across Australia, New Zealand and the Pacific region, our students embraced every challenge with enthusiasm, curiosity and a genuine love of learning. Across the four core academic events, Team Debate, Scholar’s Challenge, Collaborative Writing and Scholar’s Bowl, they demonstrated exceptional critical thinking, collaboration and communication skills while proudly showcasing the strengths of our College community.

While the academic competitions were a highlight, the friendships, experiences and memories formed throughout the event were equally valuable. Students enthusiastically participated in community and social activities, including the Scholar's Scavenge, Debate Showcase, Scholar's Show and Scholar's Fair, connecting with like-minded young people from across the region. The trip provided countless opportunities for personal growth and cultural exchange. Our students represented the College with maturity, kindness and character. I am incredibly proud of their efforts and the way they embraced every opportunity, making this an unforgettable experience and a remarkable achievement for both the students and our College community.
