YEAR 5 AND 6 DRAMA

Year 5 and 6 students recently impressed with their scripted drama performances, presented as the culmination of their work this semester.

Throughout the unit, they explored the elements of drama through games, improvisation, and script work. Working in groups, students collaborated to interpret scripts and bring their characters to life in their class performances. This task showcased their creativity, confidence, and strong teamwork skills. It was a fantastic celebration of their learning and effort—well done, Year 5 and 6!
