JUNIOR ENSEMBLES EVENING

Last Tuesday evening, despite a raging storm outside, more than 100 students gathered in the auditorium to present an outstanding night of musical entertainment for parents and friends.

The Intermediate Concert Band opened the evening with a stirring excerpt from Also Sprach Zarathustra, and other well known pieces, setting the tone for a spectacular showcase of talent. Throughout the concert, students demonstrated the results of their dedication and enthusiasm for music.

The Junior Choir delighted the audience with their beautiful harmonies and energetic performances, while the Clarinet Choir impressed with their skill and musicianship. The Junior String Orchestra kept toes tapping with the lively Sword Dance and Dwarf March, alongside a selection of other beautifully performed works. Bringing the evening to a thrilling conclusion, the Junior Concert Band took the audience on a musical journey through the movies and fun rhythmic pieces, ending with a flight through the night sky with Red Comet.

A special presentation was made to Year 6 students in recognition of their commitment to the ensembles as they prepare to transition into the senior ensembles next year and students were interviewed expressing their joy at being involved in the ensembles and the friendships and collaborations formed with students across many year groups.

Overall, the evening was a tremendous success, celebrating not only the musical achievements of our young performers but also the sense of community and joy that music brings. Congratulations to all students and staff involved in making the event such a memorable occasion.
