

THE WAY

FLIPPING OUT IN THE SCHOOL HOLIDAYS

Prep families have fun at Flip Out during the school holidays.

A handful of Prep families got together over the school holidays.

Mums, dads, carers and children flipped, bounced, tumbled, laughed, socialised and bonded on the massive trampolines at Flip Out in Prestons.

The indoor space was the perfect location for the gathering.

The school holiday activity was a great way for families to burn some energy on the mats and catch up over a coffee.
