INFORMATIVE TEXTS IN YEAR 3

This term, our Year 3 students have been exploring informative texts, with a focus on note-taking and writing information in their own words. They learned how to identify key facts, organise ideas, and structure an information report.

After researching an animal of their choice, students planned and wrote their own informative texts, showcasing their understanding of the topic. It was wonderful to see their growing confidence in using nonfiction features and presenting facts clearly and creatively.
