

WINNERS- WANDERERS REGIONAL SCHOOL CUP

The Western Sydney Wanderers launched their fifth consecutive Regional Schools Cup competition, with Thomas Hassall dominating the day!

The Wanderers Regional Schools Cup is a fun filled gala day for schools in Western Sydney. The main outcome of the day is to get students active and playing football in a healthy competition whilst embracing sportsmanship, inclusion and social interaction. The day proved to be an outstanding demonstration of our football skills and sportsmanship as we tackled a number of competitors on the field.

Thomas Hassall were the dominating team from the start, with no goals conceded throughout the day. They entered the grand final with wins against Punchbowl (7-0), Northmead (1-0), Al Faisal (6-0) and Greystanes (7-0). The grand final saw our team take on Sefton, but once again proved to the competition that we leave nothing on the bench. Our boys fought hard to the very end, gave their very best and successfully defeated Sefton 3-0. Massive thank you to **Sonny Makko** and **Mr Schrack** for their amazing guidance and coaching on the day.

Congratulations on such an impressive achievement.
