

LAKES GRAMMAR EQUESTRIAN EVENT

The wind was the only thing between little Evie Delicata winning the reserve champion at the most recent interschools equestrian event.

Evie Delicata has gone on to win two firsts, a second and third and two fourth places at the Lakes Grammar equestrian event. She also took home the encouragement award for the under 6 category.

The youngster pushed through the competition. Mum Renee said Evie was penalised nine points because her noble steed Fyn was playing up in the wind and she had to run alongside her. The reserve champion was just out of reach as a result.

Amelia Slattery only got to ride in one class as she fell off her horse the day before and fractured her wrist in two places. She rode with a cast on her arm and finally had to pull the pin.

"We had such a great time camping overnight and met lots of new friends from different schools," mum Renee said.

"All in all it was a great day and we're looking forward to the next interschools competition.

Congratulations girls . . . and we love your new saddle cloths!
