EDUCATING FUTURES

PRINCIPAL'S TOURS

Word of mouth is our greatest source of referral

Our Principal, Mr Ross Whelan, will be conducting special tours in September and October for families who are considering Thomas Hassall Anglican College for the education of their children.

As 'word of mouth' is our most common way in which families hear about the College, may we ask you to help spread the word? This is a unique chance for families to meet with the Principal during Terms 3 and 4 and see the College in action on a normal school day.

Bookings are essential - please follow the link on our website www.thac.nsw.edu.au
