WELCOME TO KINDERGARTEN

We have had a wonderful start to the year in Kindergarten! It has been such a joy to welcome so many excited faces each morning as the children begin their schooling journey. These first few weeks have been busy as we establish classroom routines and help the students learn what College life looks like. They are doing a fantastic job settling in and growing in confidence each day.

It has been lovely to see friendships beginning to form, with children enjoying getting to know one another and building special connections with their teachers. There is already a beautiful sense of community developing within our classrooms.

The students have especially enjoyed learning and reciting nursery rhymes together, as well as exploring 2D shapes through hands-on activities.

The Kindergarten teachers are very much looking forward to a wonderful year ahead as we continue to learn, grow and celebrate many milestones together.
