HIGH ACHIEVERS ASSEMBLY

Today was a significant occasion for our Senior School as we gathered to acknowledge the academic excellence of our 2025 HSC High Achievers.

The celebrations began in the morning with a special Morning Tea, bringing together our returning students and the teachers who supported them through their final years. It was a wonderful opportunity for our alumni to reconnect with staff and share stories of their first few weeks of life beyond school in a relaxed and intimate setting.

Following the morning tea, the group moved to the hall for a formal Senior School Assembly.

By publicly acknowledging the hard work and dedication of the Class of 2025, we hope to set a visible benchmark for our current Senior students. Seeing their peers return as successful young adults serves as a powerful reminder that the effort put in today lays the foundation for tomorrow.

Congratulations once again to our High Achievers. We are proud of your results, but even prouder of the young adults you have become.
