To commemorate Anzac Day this year, the Junior Library has a special display depicting some of the brave men and women who have served in the Australian Defense Forces. "Every face has a story to tell.." reminds students that each Digger's experience was unique and when all put together tells the complete story of the Anzacs.

Missing Easter Eggs have been Found!

The students of Thomas Hassall have come to the rescue of the Easter Bunny and have located all twelve of his missing eggs. Easter has been saved!

Last term the Junior Library ran an Easter competition for students in Prep to Year 1. Twelve easter eggs were hidden in the barcodes of twelve different picture books, the only way students could find an egg was to borrow one of those books. It wasn't too long before all twelve had been claimed.
