THE HUB - LUNCHTIME CONCERT SERIES

The Hub is a lunch time concert series held fortnightly where students have the opportunity to showcase their creative talents.

The first HUB of Term 3 was held last week and despite the rainy weather, students gathered around to support the musical talent on offer. This HUB was a great chance for our senior students to practice performing their major HSC music works.

Our senior performers were: **Jeremiah Sampson** (piano), **Ali Dursun** (bass), **Martin Sekuloski** (piano) and **Laani Jansen** (vocals). **Sophia Suarez** from Year 7 also performed a piano solo, and she had the entire audience singing along with her piano melody – this was definitely a memorable moment for the Hub. Thanks again to all those student musicians who performed.
