Wanderers Cup Southern Districts equal Champions in Primary Division

On 8 August, our Year 5 and 6 Advanced Pathway Program Boys Football team traveled to Knight Park to play in the Southern Districts Division of the Wanderers Cup. After the strong performance of our Secondary Boys team last week, the Year 5 and 6 boys team were keen to match their performance.

Coached by our Football Director **Sonny Makko** our boys started off the day strong, defeating Mount Pritchard Primary School 6-0. They then faced a determined Bonnyrigg Heights Primary School team, who were the last year's regional champions. Our boys defended well and came out winners 1-0.

Our next match was against King Park Black, who were undefeated as well. In a tight contest the boys gave it all they had and the score remained nil all. Our final game of the day was against King Park Red and we scooted away to a 3 nil win.

The boys finished the day undefeated and having no goals scored against them, but were placed

2nd on goal difference. Coach Sonny was very proud of their performance both on and off the field. Wanderers officials came and congratulated our team on their first appearance at the Wanderers Cup not only for their skill, but for their attitude and sportsmanship.

Way to go boys! Your dedication and commitment in training two mornings a week is evident in your improved skill, attitude and teamwork. We are very proud of you all!!
