VICTORY IN THE PACIFIC CELEBRATION

I had the great pleasure of accompanying Natalie Girgis and Jacob Smith to Cabra-vale Diggers Club.

This year commemorated 72 years since the signing of the treaty with Japan to end all conflict within the Pacific Region. Natalie (Year 11) and Jacob (Year 12) represented the College in the march and laying a wreath on behalf of the College.

Both Natalie and Jacob have previously undertaken the Kokoda Challenge where they walked in the footsteps of the soldiers who fought and paid the ultimate sacrifice during the Pacific conflict in Papua New Guinea.

We have had a long history with Cabra-vale Diggers and both Natalie and Jacob represented the College with pride and dignity on such a special occasion.

Yours in Christ.
