

THE WAY

CLASS OF 2017 GRADUATION ASSEMBLY

Time to fly the coop ... almost!

With just under a month before our Class of 2017 will graduate, we have emailed each Year 12 family with an invitation. Graduation Assembly is a very special event in the life of our students and the whole College and we encourage Year 12 families to RSVP as soon as possible and please also supply a childhood photo (scanned 300 dpi jpeg) which will be projected on the screens as each graduate is called to the stage and presented by the Principal, **Mr Whelan**. The photo can be any childhood photo, any age, the cuter the better!
