AUGUST 2017

CARVING UP THE ICE

Skaters shine at the Crystal Challenge.

The Junior School has many students 'carving up the ice' in competitions locally and interstate.

Recently some travelled to Melbourne to compete in the Crystal Challenge. From all reports they made quite an impression and performed well in the Championships.

Congratulations to the following students who are training hard for the upcoming State Championships in October at Penrith:

Tomi Garard, Mia Kusilek, Angelina San Filippo, Pietro San Filippo, Valentino San Filippo, Faith Wu, Isabella Wu and Ava Zamprogno.

We wish them all the best and look forward to hearing of their results.
