KOKODA TREK 2018

Each year students, parents and other members of the community undertake the Kokoda Trek in PNG.

Each year students, parents and other members of the community undertake the Kokoda Trek in Papua New Guinea. This is a fantastic opportunity for each person to walk in the footsteps of the soldiers who sacrificed all for the protection of PNG and Australia. The trek gives a greater appreciation of the history of the battles fought between Australia and Japan. At the same time we have a wonderful opportunity to immerse ourselves in the local culture for the nine days that we are trekking.

We are currently in the planning stage for 2018 and are calling upon all interested people to get in contact if they want an information package. This will give us an idea of the group and set up the first meeting for those interested.

The trek is open to all students who will be in Years 10 and 11 in 2018, their parents or other interested members of the College Community. If you are interested please see myself for the info pack as soon as possible.
