

IN SYMPATHY

In our thoughts and prayers

Our thoughts are with our staff members Ana Dinjar (Administration Assistant - Junior School) and Jules Brattoni (Visual Arts Teacher) who both lost their dear Mums recently.

Please remember Ana and her husband Angelo (Finance Department) as well as Jules and their families in your prayers as they deal with their loss and, that they will feel God's presence now and in the coming days, and a real sense of His peace, love and comfort.

Many parents will remember Moire O'Shea who worked in the Marketing and Community Relations team until recently. We have been very saddened to hear that Moire's brother has passed away and our thoughts and prayers are also with their family and friends at this time.
