1C wrote about their fathers as an opportunity to show and express their love.

Psalm 103:13 As a father has compassion on his children, so the LORD has compassion on those who fear him (NIV)

Father's Day is a day of honouring fathers, brothers, uncles or any important male figures in our lives. We often forget the sacrifices and contributions of our fathers and male figures have made in our lives. 1C wrote about their fathers as an opportunity to show and express their love and gratitude to these special people. Here are a few samples of their work.
