WINTER IPSSO TEE-BALL CHAMPIONS

IPSSO Winter Teeball team brings home the winning medals

Our junior tee-ball team went into the Winter IPSSO Grand Finals having lost only once this season against our opposition William Carey Christian School.

After losing the toss we went into bat. After having two batters out within the first three players to bat, we steadied the ship to get all seven runs home.

We then fielded excellently – putting immense pressure on the opposition batters. They were only able to get two home in the first innings.

We went into the second innings with some momentum. We once again held our nerve and produced some great shots to get all seven batters home. Our second fielding innings saw us completely shut down William Carey and keep them scoreless.

The Grand Final win was an excellent reward for all the hard work the team has put in this season.

Also congratulations to our senior softball team who placed 3rd in the winter competition this year.

Well done to both teams!

Mr Robert Sheahan
