# IPSSO SOCCER CHAMPIONS

## Soccer snatch both Winter IPSSO titles

Thomas Hassall's Junior Primary Soccer Team were the benchmark of the IPSSO competition completing the regular season undefeated minor premiers. Thomas Hassall were at their entertaining best in the semi-final knocking out a strong Macarthur line up 5 - 1. This saw the team progress through to the biggest game of the season against local rivals William Carey. The boys were not overawed by the occasion and put on a dominate display to secure a 9-0 victory and successfully defended their IPSSO title. The juniors are an extremely talented team and their success this season was richly deserved.

The Senior Primary Soccer Team capped off the Winter IPSSO season by successfully defending their title. The boys from Years 5 and 6 were strong competitors all season long. Thomas Hassall played against Macarthur in their knock out semi-final. Macarthur proved tough competition. At full time scores were locked at 2-2. The team demonstrated impressive composure under pressure during a period of extra time to finish 3-3. The draw was enough to see our boys progress through to the Grand Final. Thomas Hassall maintained momentum heading into the final and successfully defeated St. Peter's 3-1 to claim another deserved title for the College.

Congratulations to all the boys on their success. The future of soccer at Thomas Hassall looks bright.
