

## YEAR 6 HPE DAY

Health and Physical Education Day for Year 6 was a fantastic event.

It provided students the opportunity to involve themselves in a number of physical activities. Students had a choice between a variety of team building tasks and challenges such as Snooker Ball, Hungry Hungry Hippos and an inflatable Ninja Warrior obstacle course. The event raised money to support Cerebral Palsy and is another event that helps to provide a smooth Senior School transition for Year 6 students as they worked with their PDHPE teachers for next year. Many students expressed their enthusiasm and passion towards the HPE Day.

*My favourite activity was the Leap & Bounce obstacle challenge.*

*– Luka Romanic, 6R*

*My favourite activity was beating Mrs Thompson in our Ninja Warrior race!*

*– Elliana Collyer, 6T*
