The Force is strong with this new addition to the IRC.

Star Wars Allegiance - Timothy Zahn

"The destruction of the Death Star by the Rebel Alliance was a decisive blow against the Empire, but Palpatine and his monstrous enforcer, Darth Vader, are no less of a threat. Among those standing against them are Luke Skywalker, Han Solo and Princess Leia Organa. The three have been sent to mediate a dispute between Rebel Alliance factions in the Shelsha Sector.

At the same time, Mara Jade - all of eighteen and years away from her fateful meeting with Luke - is serving her evil master Palpatine, tracking suspected treachery in the Empire, while a once loyal Imperial Stormtrooper Daric LaRone, his faith in the Empire shaken by the wanton destruction of Alderaan, commits a sudden and violent act of defiance. Each of these fateful actions, whether

sanctioned, secret, or scandalous, will expose brutality and corruption, spur upheavals destined to shake the Empire to its core, and shape momentous events yet to come."
