

STRONG SEASON FROM OUR LEAGUE TEAM

The Year 9/10 MISA Rugby League team finished their much-improved season on Tuesday.

We raced by the strong defensive coaching of Mr Coulton, the team put in a number of resilient performances over the course of the season. The team showed particular heart in its round 2 victory against eventual finalist Wollindilly Anglican College, winning by several tries.

Led by inspirational Captain, **Ryad El-Ali**, whose speed and size surprised many opponents, the team developed a reputation for aggressive running and bone-jarring physicality around the ruck.

Great skills and experience from **Joshua Guyer**, **Daniel Mangesi** and **Calan Nichols** helped form a solid corps to the team; younger speed and enthusiasm from **Braden Moxey**, **Luke Sullivan** and **Brock Page** gave the team an exciting and dynamic edge. Unfortunately, the team's third-place playoff was abandoned after an injury to the opposition.

Well done to all of our Rugby League boys!

Mr John Williams
