

THE WAY

JUNIOR SCHOOL HUB

Rocking out at the Junior school hub.

In weeks nine and 10 this term, our College junior students have put on some excellent lunchtime entertainment at the Junior Amphitheatre. While the juniors play handball and eat their lunch, our Intermediate Stage Band (week nine) and the Junior Band (week 10) have performed a short set of music to entertain everyone.

Both groups performed very well, and the audience have been very enthusiastic and supportive of the student musicians. There was even a long conga-line roving around the playground dancing away. Well done to all those performers for showcasing their talents in this new performance environment.
