

THANK YOU

The white rabbit represents the College

Many thanks to **Shardae Abdishou** who recently dressed up as the White Rabbit and represented the College at the NSW/ACT Chapter Conference of Educate Plus 'Mad as a Hatter' Gala Dinner at The Tea Rooms, Queen Victoria Building.

Shardae entertained over 150 guests on arrival as she darted amongst the crowd telling them she was "late, late, for a very important date".

Educate Plus is the professional association for advancement professionals (marketing, community relations, admissions, alumni, fundraising) in Education for the secondary and tertiary sectors.

Thanks also to our staff members Peter Ford and Michael Clisdell who assisted with the bump-in and out of equipment for this event - sincerely appreciated.

Shardae is pictured here with our Director of Marketing, Enrolments and Community Relations, Mrs Jo Hutchens.
