

OUTSIDE OF SCHOOL HOURS' CARE PROGRAM

Healthy food is a focus at the outside of school hours care program.

Thomas Hassall's Outside of School Hours' Care program is big on encouraging children to cook and eat healthy. They've got some great tips [HERE](#) on creating a healthy eating program as well as a super delicious rice paper roll recipe which is a real hit when it's offered at the program to students.

For more than 29 years the Camp Australia program has been run nationally. It delivers after school care that nurtures and support children's development. The program provides time for homework, a little relax, educational activities and a healthy snack.
