Same sex marriage? Marriage equality?

Many people believe that marriage is ripe for redefinition. Is this a question of rights and equality, or something else? Does God's word speak clearly about marriage? Can it legitimately make sense of the current debate and suggest how to respond wisely?

Michael Stead (Bishop of South Sydney) will be the guest speaker as Thomas Hassall hosts SMBC's Hot topics on the topic on the of same sex marriage next **Wednesday 25 October 7:30-9:30pm.**

The following week **Wednesday 1 November**, the second in the series, looks at euthanasia and welcomes Dr Megan Best to speak on 'Do we need a right to die?'

Details for both evenings can be found at the following link: <https://www.smbc.edu.au/events/hot-topics-at-thomas-hassall-anglican-college>
