

THE WAY

TERM 4: THURSDAY 19
OCTOBER 2017

YEAR 12 DEDICATION SERVICE

The Class of 2018 are well on their way

On Thursday 12 October students, parents and staff joined together to dedicate the Class of 2018 in a special service, to the Lord Jesus Christ. The theme of the night was 'Shoulder to Shoulder' and it was this message that focused the group for the journey ahead. Year 12 is not a sprint, but indeed it is a long distance journey that requires courage, commitment and above all teamwork. This message was presented via a number of short messages which included: inspiration, practical advice and Godly wisdom. There was also a wonderful performance by Katrina Fusca which was followed by a commitment by students to their best to support and uphold the College values and aspirations. Special thanks to all the staff who contributed to this night and to all the parents who made the effort to stand with their children on the night. Let's enjoy the journey ahead.
