THE HUB GETS JUICY AT MRK

The Mrs Riitano's Kitchen juice bar is now open.

On Monday 23 October, the College hosted its first HUB for the term - in conjunction with the opening of the MRK Juice Bar!

This was a great event, as many students lined up to try either a banana smoothie or a berry crush. The eager juice customers were able to listen to some great music whilst waiting in line.

The performers this time were: **Ben and Lachlan Shead** (trumpet solo, accompanied by piano), **Makayla Hobbins** (solo piano), **Marco Kalik** (solo guitar), **Evelyn Kilic** (solo piano). Well done and thank you to all these performers.
