

NASSA VOLLEYBALL GALA DAY

On 19 October Thomas Hassall won the Girls division in the NASSA Volleyball Gala Day.

The change of venue from Wollondilly Anglican College to Minto Indoor Sports Centre was a big improvement from the last couple of years. The new venue enabled students to participate on quality, full sized indoor courts. This negated any environmental issues and provided for more quality volleyball to take place.

Throughout the day, both our junior Year 7-9 boys team and girls team looked strong. Coming off back to back wins from MISA earlier in the year, our team was ready to take down the other NASSA schools.

To complete enough matches games were limited to 30 minutes. In all except 2 matches this was sufficient time to enable winners to be determined. Due to court numbers and timing restraints the 4 matches then seeding for finals approach.

Our boys lost in the semi final, securing fourth place after a well played match. Our girls were victorious on the day, coming off with a well deserved win against Wollondilly Anglican College in the grandfinal.

Thank you to our coaches- Mr Schrack and Miss Taylor who selected the team and coached on the day.
