

AICES WATERPOLO CHAMPIONSHIPS

Thomas Hassall represents in the pool at the AICES Waterpolo Championships.

Students from Independent Coeducational Schools competed in a round robin competition on Wednesday 15. This year, we again had Thomas Hassall students represent our College in the AICES Waterpolo Championships.

Luka Kricka dominated the pool and was part of the championship team. Luka now goes on to compete in February at the CIS Waterpolo championships as part of the AICES team.

We wish him the best of luck in his upcoming competitions.
