2018 FOOTBALL PROGRAMS FOR SECONDARY STUDENTS

Football programs for secondary students.

2018 Advanced Pathway Program - 15 years and under secondary boys football program

The 2018 APP 15 years and under secondary boys program is underway and the boys are training hard under the guidance of our football director Sonny Makko.

Positions are still available in the 2018 squad and trials will be held early in Term 1 for new students wishing to trial for the program.

All boys who are 15 years and under (Year 7 to 10) in 2018 are eligible to trial.

The 2018 program commences this term and continues into terms 1, 2 and 3 in 2018.

2018 Football Development Programs

These are held Tuesday afternoons, 3pm to 4pm

The College offers football programs for secondary students in Years 7 to 9. The year-long program caters for both boys and girls and will be conducted by our football director Sonny Makko.

The one-hour sessions are designed to improve the skill level of each individual and is suited for all abilities. Students will be involved in fun activities that develop skills and promote understanding of the game.

Students can enrol in more than one day if preferred. The program runs for 35 weeks.

Information flyers and application forms for the 2018 football development programs have been emailed to all College families. Copies are also available at the College office.
