EVIE MAKES TOP THREE IN SPORTS STAR

Evie Delicata was a finalist in the Liverpool Leader Local Sports Star Awards.

The Local Sports Star dinner was held earlier this month.

She didn't win the sports star of the year on the night but mum Renee said they were super proud she'd made the top three.

The youngster can already tack up her pony Fyn, groom him and - most importantly - give him plenty of cuddles.

Evie began horse riding when she was three and trains a couple of times a week with coach Heidi Ewington.

Earlier this year she won 14 ribbons at the NSW Winter Woollies Show, run by the Pinto Horse Association of NSW, placing first six times, second three times, fourth four times and last place.

A huge congratulations to Evie!
