

STUDENT AMEB EXAM RESULTS

Honours aplenty for Mr Ibrahim's students.

Several of our music students who learn Piano, Violin and Cello sat for their AMEB Examinations at the Sydney Conservatorium of Music last weekend. All these students learn under the direction of our exemplary tutor, Mr Ehab Ibrahim, and have all achieved excellence results.

It is testament to professional guidance and teaching of our tutors that students are inspired to

practice and work hard to achieve these great results.

Congratulations to all these students, and to Mr Ibrahim for providing first class tuition.
