

SCHOOL TRANSPORT SIMPLIFIED

Applying for school travel passes has never been easier.

Applying for school travel passes has never been easier. The online process is thanks to a partnership the College has with the Transport for NSW.

The application process has been simplified so new or updated applications for school travel passes are only needed when a student is:

- Applying for school travel pass for the first time
- Requesting an additional pass as a result of a new shared parental responsibility situation
- Changing school or campus
- Changing home address
- Receiving an expiry notification
- Repeating a school year
- Changing their name
- Requesting a new transport operator

This means students who are progressing to Year 3 and 7 only need to reapply if they are changing circumstances. Students who aren't residents and are temporarily in Australia can provide their visa subclass number when applying online, making the approval process much faster.
