

YEAR 4 BAND PROGRAM

It is hard to believe that next week is the final week of our Year 4 Band Program for 2017. In its third year, the program has been very successful in paving the way for students to enjoy and pursue music as they progress through the rest of junior school, and into high-school.

A reminder to all year 4 parents that all students are to return their instruments next Tuesday and Thursday during their normal lesson times. However, we strongly encourage you to consider that

your child continue learning their instrument next year, with the aim to join one of our many ensembles. Please fill out and return these forms if you haven't done so as yet.

A big thankyou to all the parents too for supporting your child with our special Year 4 Band Program.

Mr Mark

Manager of Ensembles
