SUMMER IPSSO TEE-BALL AND SOFTBALL SUCCESS

Summer Softball and Tee-ball Champions!

Junior Tee-ball

It has been a magnificent season for the tee-ballers, finishing undefeated. There has been great improvement throughout the year from a number of players. In the grand final, we were playing William Carey – a team we had beaten twice already. We got off to a shaky start, but were able to steady the ship, scoring eight runs in the first two innings. We fielded well, keeping them to only two runs. Coming into the third innings, we were quietly confident, but struggled early on and failed to score a single run. We managed to hold on though, keeping William Carey to only four runs. The final score came to 8 – 6. It was a great performance and all the players can be very proud of their efforts.

Senior Softball

The senior softball team also finished the season undefeated. Coming up against a strong side in Georges River Grammar in the grand final was always going to be a challenge. We won the toss and decided to bat first; however nerves got the best of us and we failed to score a single run. We fielded strongly though, keeping them scoreless in their first batting innings. The second innings was much the same. Coming into the third, we were narrowly behind with the score at 2-1. Our batters did a fantastic job and were able to get all seven home. We once again shut out by Georges River and finished the game at 8 – 3. Well done to all involved.

Mr Rob Sheahan
