SUCCESSFUL SOCCER SEASON

Sensational soccer season for IPSSO Girls comes to a close.

It has been a tough but rewarding season for our IPSSO Soccer Girls team this summer.

Both our Junior and Senior teams showed great sportsmanship throughout the year and represented the College with pride.

Our girls were highly dedicated to their training session, working diligently to improve their skills with the help of our knowledgeable coach, Sonny Makko. They have displayed perseverance and resilience, gradually increasing in confidence as the season progressed.

The Senior team was fortunate enough to make it to the IPSSO Finals where they only narrowly missed a victory against one of the most difficult teams in the competition. Our Junior team is also to be commended on its improvement throughout the year, both as individuals and as a cohesive team.

Well done to both of our teams on a wonderful season!

Miss Ashley Tobar
