

CHRISTMAS CAROLS AND SERVICES

Hoxton Park Anglican Church has a range of events and services over the festive season.

On December 17 at 6pm it is Community Carols. The Voices Raised Choir will fill the space alongside the Hoxton Park Anglican band with music while visitors enjoy the food trucks and kids activities. There is free entry to this event.

On Christmas Eve there is a church service at 6pm, and another on Christmas Day at 9.30am. There will be a jumping castle and barbecue.

Into the new year, Sunday services at 9.30am and 6pm cover:

- What God's got to say about anger on January 7
- What God's got to say about worry on January 14
- What God's got to say about love on January 21; and
- What God's got to say about contentment on January 28
